*For the word of God is full of living power.
It is sharper than the sharpest knife,
cutting deep into our innermost thoughts and desires.
It exposes us for what we really are.*

Hebrews 4:12

There is a reason why the Bible is the world’s best-selling book and why its message changes millions of lives every year. The Bible is God’s words to us. The Bible is not a collection of ideas about God that a bunch of people had centuries ago. The Bible is God speaking to you right now. That is why it is so powerful and so full of insight. God knows your inner thoughts and has a message of love and hope just for you. God has great plans for you, and just about all of them are contained in the Bible. *[see Jeremiah 29:11]*

When you pick up your Bible to read each day, handle it with care. It is not just a book, it is a device so sharp and penetrating that it will cut you to the center of your being. The Bible will open you up so God can pour His words into you.

Our St. Thomas Plan for In-person, socially distanced worship has been approved by our Diocese. However, our Rappahannock-Rapidan Health District COVID cases have started to increase again so we must wait to attain a consistent rate of decline before we can actually implement our plan.

A Little Coronavirus Humor:

My wife didn't order anything from Amazon yesterday so the UPS guy knocked on our door to see if we're all okay.
